

CROSSROADS

Howard and wife Brenda started Crossroad Squares on 8th July 1982.

The club has run continuously ever since, to become the longest running club in Victoria with the original caller. Crossroad Squares celebrated its 36th birthday in July 2018 and caters for beginners, mainstream & plus dancers. Crossroads have hosted dancers and callers from all states of Australia and overseas. Over the 36 years Crossroads has brought hundreds of dancers into our much-loved pastime & have lost count of the number of people who have learnt or danced on a regular basis at Crossroad Squares. We aim to provide a fun night of dancing and often include a bracket of round dancing during the evening. We enjoy a supper break each night during the evening and dancers are asked to bring a plate to share. We also regularly have 'fun or themed' evenings such as 'Footy Fever', 'USA night', 'Baked Potato Supper'. Howard and Brenda would love to welcome you to Crossroad Squares soon.
